

LOCAL COMMUNITY POLICY

Theofilos Chalkiadakis S.A.

Cactus Hotels

Cactus Hotels commit to treat the local community fairly.

We commit to maintaining a close relationship with our local community, ensuring that their concerns about our business operations are addressed.

We encourage our guests to support the local community through choosing to buy goods and services from local suppliers.

We purchase locally produced goods in preference to imported products, ensuring that local, traditional or fresh products are available to our guests during their stay.

Wherever possible, preference is given to buying from local suppliers, instead of national/ multinational companies, ensuring that authentic experiences are available to guests during their stay.

Quality, price, reliability, and supply stability are the main criteria upon which we base decisions on initiating new business and carrying out specific transactions.

As a rule, we compare offers from several vendors simultaneously and the quality for a fair supplier selection.

We purchase from multiple suppliers to avoid excessive reliance on a single vendor and to prevent vendors from depending excessively on us.

We create opportunities for newcomers by periodically reviewing our regular vendors.

We preserve the confidentiality of vendor information obtained in transactions.

We do not engage in transactions that lead to the violation of a third party's intellectual property rights.

Our purchasing personnel do not permit personal interest to influence relationships with existing or prospective vendors.
