

Local Community Support Policy

The **hotel group Theofilos Chalkiadakis S.A. – Cactus Hotels** is committed to supporting the local community and maintaining fair and mutually beneficial relationships with all stakeholders.

Priorities and Commitments

1.Support for Local Suppliers

- We prioritize purchasing products and services from local suppliers over national or multinational companies, contributing to the development of the local economy.
- We support the procurement of local, traditional, and fresh products, ensuring they are available to our guests throughout their stay.

2.Transparency and Fair Partnerships

- Quality, pricing, reliability, and supply consistency are the main criteria for supplier selection.
- We compare offers from various suppliers to ensure fair choices.
- We create opportunities for new suppliers by regularly reviewing our partnerships.

3.Confidentiality and Data Protection

- We preserve the confidentiality of information received from our suppliers during transactions.
- We do not engage in any transactions that result in the violation of intellectual property rights.

4.Independence and Ethics

- Our staff is committed to ensuring that personal interests do not interfere with relationships with existing or potential suppliers.

5.Customer Involvement

- We encourage our guests to support the local community by choosing products and services from local suppliers.

6.Diverse Collaborations

- We maintain partnerships with a wide range of suppliers, avoiding overdependence on a single vendor and preventing suppliers from becoming overly dependent on us.

Theofilos Chalkiadakis S.A. – Cactus Hotels remains dedicated to supporting the local community and fostering an environment that promotes sustainable development.

Sincerely,

Nikos Chalkiadakis
CEO of Cactus Hotels SA
